THE GA-VUE

GRANDVIEW HIGH SCHOOL

Grandview, Missouri

"To those who knew thee not, no words can paint,
And to those who knew thee, know all words are faint."

Dedication

We, the annual staff, wish to dedicate the 1962 GA-VUE to Richard Craig McElroy, known to us as "Buzzy."

To those who didn't know Buzzy, no words can be written that would describe his enthusiasm for life, his ready smile, or his unique sense of humor. And to those of us who were fortunate enough to know him, no words are needed, for his memory will always be with us.

As we leave a portion of our lives behind us at G.H.S. and go our separate ways, wherever life may lead us, we shall not forget this friend and fellow student who contributed so much to our years at Grandview High.

Superintendent's Message

May I congratulate the Ga-Vue staff for the accomplishments shown in this year's annual. It shows much effort and work on the part of these individuals.

We live in a period of time when extracurricular activities provide a needed boost for the morals and loyalty of the student body. Each activity carried on in the high school today should be an important part of the educational opportunities offered the student.

The leaders of tomorrow are being prepared in our schools today. The future leaders will be those individuals who have proper educational backgrounds and who have learned how to lead effectively in student activities, for knowledge is only important as it is used for individual growth and effective social participation.

ROB CURTIS, President

Energetic is probably the best adjective to describe Rob Curtis, 1961-62 Student Council President. Although the Student Council may be Rob's major interest, his leadership and character have been displayed in many other school activities. Rob has spent much time and effort in improving this year's Student Council, and his efforts have not been in vain.

We could have danced all night.

Now we know where the money went.

"A tree grows in G.H.S."

STUDENT COUNCIL

This year's Student Council, consisting of a representative from each fourth hour class, became a very active organization and more representative of the student body. The council has accomplished much this year. Probably the most outstanding achievement was conducting a successful campaign to bring an Exchange Student to G.H.S. Among the other projects were the mixers, the student directory, and the parking sticker program. A high point for the council was being elected president of the Central Missouri District of Student Councils.

That Wonderful Year

Another school year is drawing to a close. This year will soon be just a memory. But let's turn back the pages of the calendar to September.

School opened with a flurry of warm greetings among old friends. To the freshmen a new world was opening: for the seniors their high school career was entering its final stages. With initiation, freshmen formally became a part of G.H.S. on September 28 (formally, except in attire!)

October brought with it Homecoming floats and midnight hours and the height of football season. The Halloween Dance was a feature attraction, too.

November meant quarter exams and of course, Thanksgiving vacation. It was an extra-special month sports-wise. Football season closed and not only did Grandview win the Suburban Conference title but also took over the number one spot in the Star's rating of the top ten teams in the Greater Kansas City area. The football team wasn't the only one to receive honors during this month. Our Student Council was elected president of the Central Missouri District of Student Councils. The Student Council also did a fine job of sponsoring mixers after the football games.

The Christmas Dance even though it was cancelled because of snow, F.H.A. decorating the school, and VACATION, could only mean December. The exchange-student program ended successfully during December.

It was back to work in January in order to prepare for semester finals. The F.H.A. was busy, too, beginning preparations for the annual Sweetheart Dance held in February.

Football wasn't the only sport in which Grandview excelled. The basketball team won the Suburban Conference Championship title.

The music department was busy in March preparing for contest and the Spring Concert. The N.H.S. also was busy with the induction of new members and plans for their banquet. March, to the juniors, meant trying a hand at acting; and this year was no exception. For many of them, the Junior Play was their first attempt at acting. The play might not have been professional, but it certainly was fun.

The Annual Dance, at which the yearbook makes its debut, was held in May.

May is significant, to the seniors at least, for the fact that graduation is just a short step around the corner. Their last Prom was attended in May with mixed feelings of nostalgia and doubt about the future.

This has summed up the 1961-1962 school year. September through May has passed swiftly. We can look back and think to ourselves that this truly has been a wonderful year!

THE SENIOR PLAY

An Arizona dude ranch and a New York play-boy teamed up to make this year's Senior Play a howling success.

The main characters were: Danny, the play-boy; Molly, a sweet postmistress; Tess, a New York sophisticate; Rose, a Brooklyn telephone operator; Louie, the taxi driver; and Lank, the Cactusville bad man.

Danny was exiled to a rather broken down dude ranch in Cactusville and fell in love with Molly. Danny remodeled the ranch into a western night club and Tess, Danny's ex-flame, appeared on the pretext of helping. Louie found it hard to avoid Rose, who was enjoying her vacation at the ranch. The play, a combination of romance, politics, cowboys and Indians pleased everyone who attended.

Danny, Rob Curtis, Steve Jenkins; Molly, Jane Miller, Cheryl Jasper; Louie, Mike Moehlman; Jake, Bob Isbell; Lank, Bob Ingram; Sam, Gary Butler; Tess, Peggy Walls, Lee Ann Henson; Rose, Alma Young; Betty, Sue Carney, Doreen Disbrow; Janet, Marsha Glessner, Barbara Nichols; Laura, Sharon Terry, Virginia Kraas; Sally, Susan Miller; Babs, Sherry Wilkinson, Jane Hennon; Cactus, John Conte, Bruce McLain; Lucky, John Duncan, John Fontanini; Pete, Roger Randall; Eaglerock, Neil Mickelson; Lieutenant, Gary Marcy.

Cool, calm, and collected.

The proud cast.

"I've got ten minutes 'til lunch."

"We get the most out of life."

Shave and a hair cut--6 bits.

We took first place at the Harvest Moon Ball.

How to win friends and influence people.

There hasn't been a woman here for 30 years?!!

Nothin' like a good ol' fashion song fest.

"Her big, strong Brooklyn badman."

Moments To Remember

Strike up the band!

Mmm, it's just right!

Bringing home the bacon.

"Scotch Brand Cellophane tape."

You take the high road, I'll take the low road.

The Everly Brothers?!

A typical? American Jam Session.

"As a token of our appreciation."

Thanks to the hard work and many hours of practice of all involved, the twelfth annual Depreciation program was a tremendous success. The band, under the direction of Mr. Larry Lutte, and the Mixed Chorus and Concert Choirs directed by Mr. Bill Grace combined to give G.H.S. many "Moments to Remember." The Gracenotes sang and portrayed "Brigadoon" and "Porgy and Bess" with skill and quality. The cheerleaders and an original American "Jam Session" added a touch of gaiety to the program.

"Bess, you is my woman now."

"Summertime and the livin' is easy."

A Day At G.H.S.

Students arrive in busses as early as 7:15 in the morning.

Officers meet before school to plan program for next meeting.

Yesterday's absentees keep the office busy signing yellow slips.

"Oh, ho! What are you doing in my locker?"

Are they coming or going?

1-2-3-4 Trim off those inches.

Waiting for the 8:05.

Margaret Jones

Hunt and peck no more.

"Heh, heh, heh!"

Through the teeth and over the tongue look out stomach here it comes !!!!!

What's on the menu for today?

They grow 'em smaller every year.

Cheerleaders pause during practice.

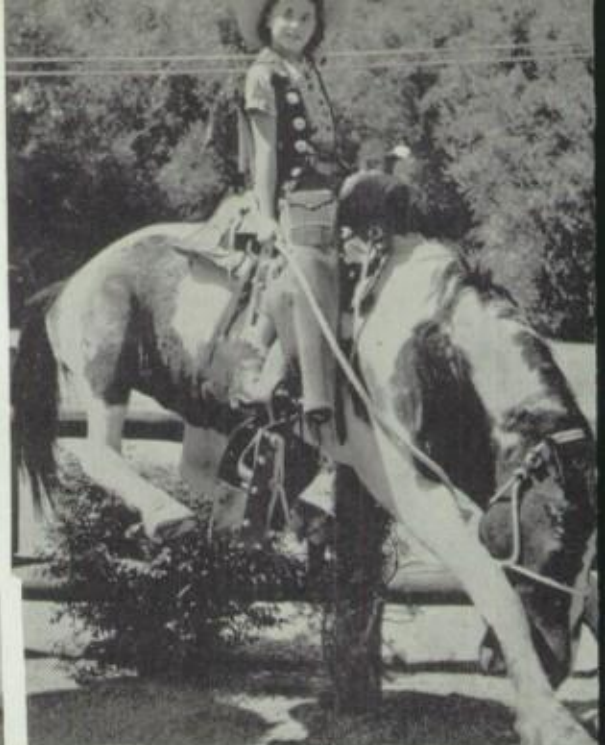

It's term paper time again.

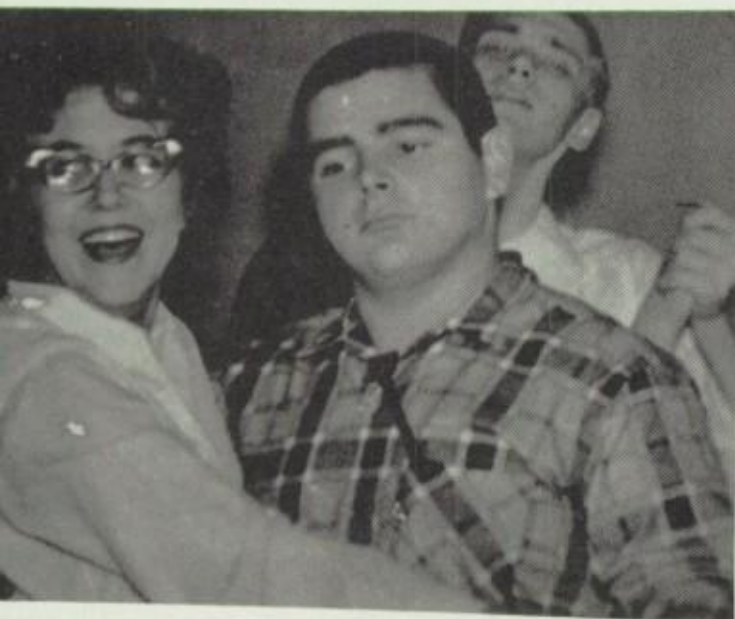

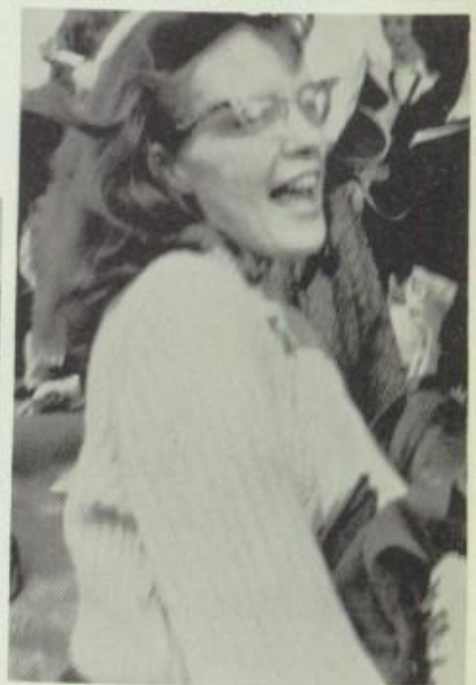

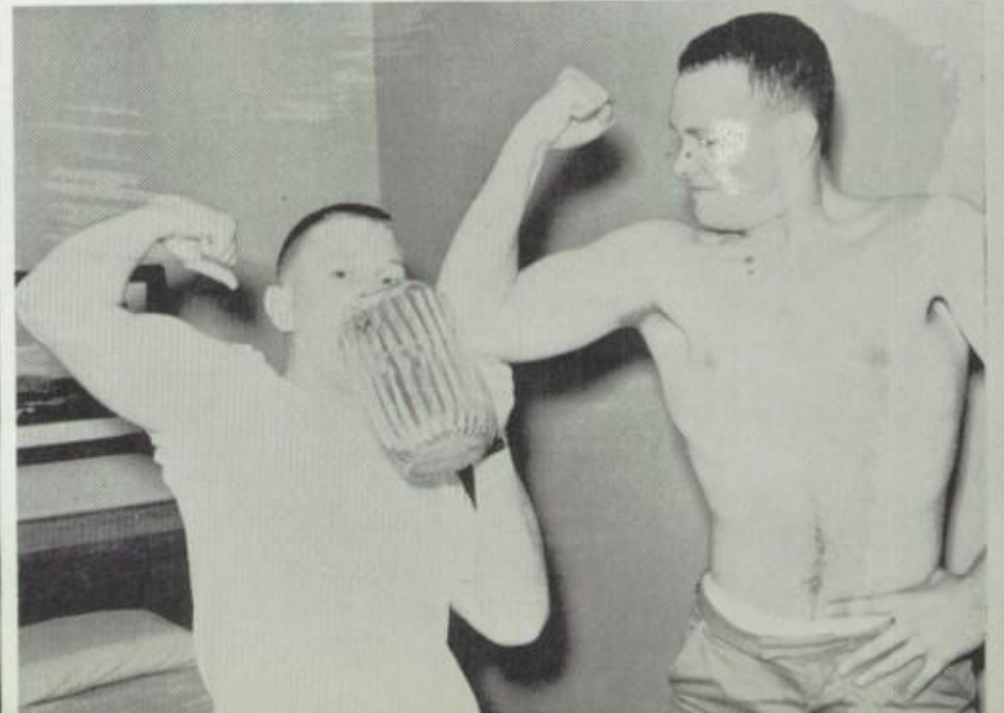

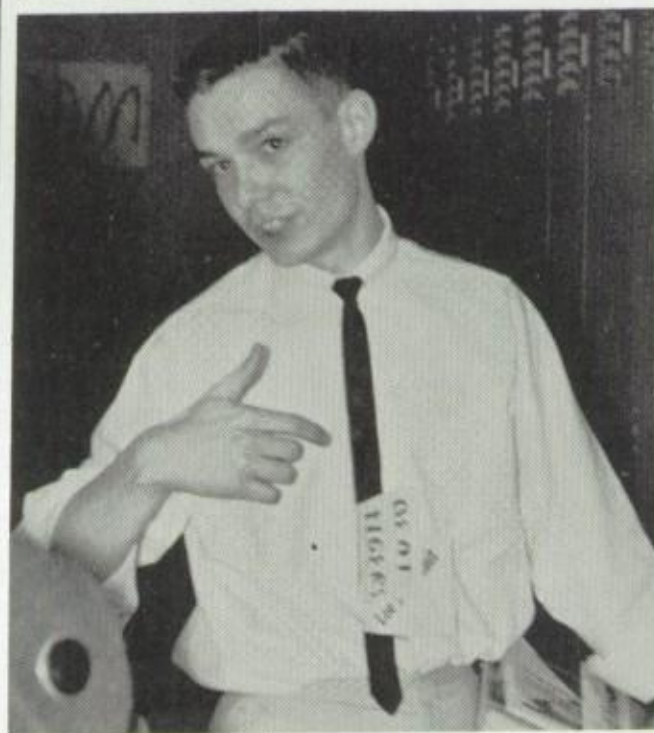

Homeward bound at last.

Football

Grandview Bulldogs have good reason to celebrate the 1961 football season. As undefeated Conference Champions, the Bulldogs went on to gain the Star's billing as the number one team in the greater Kansas City area. Grandview placed nine boys on all-conference, five on all-district, and one on all-state teams.

Football Coaches

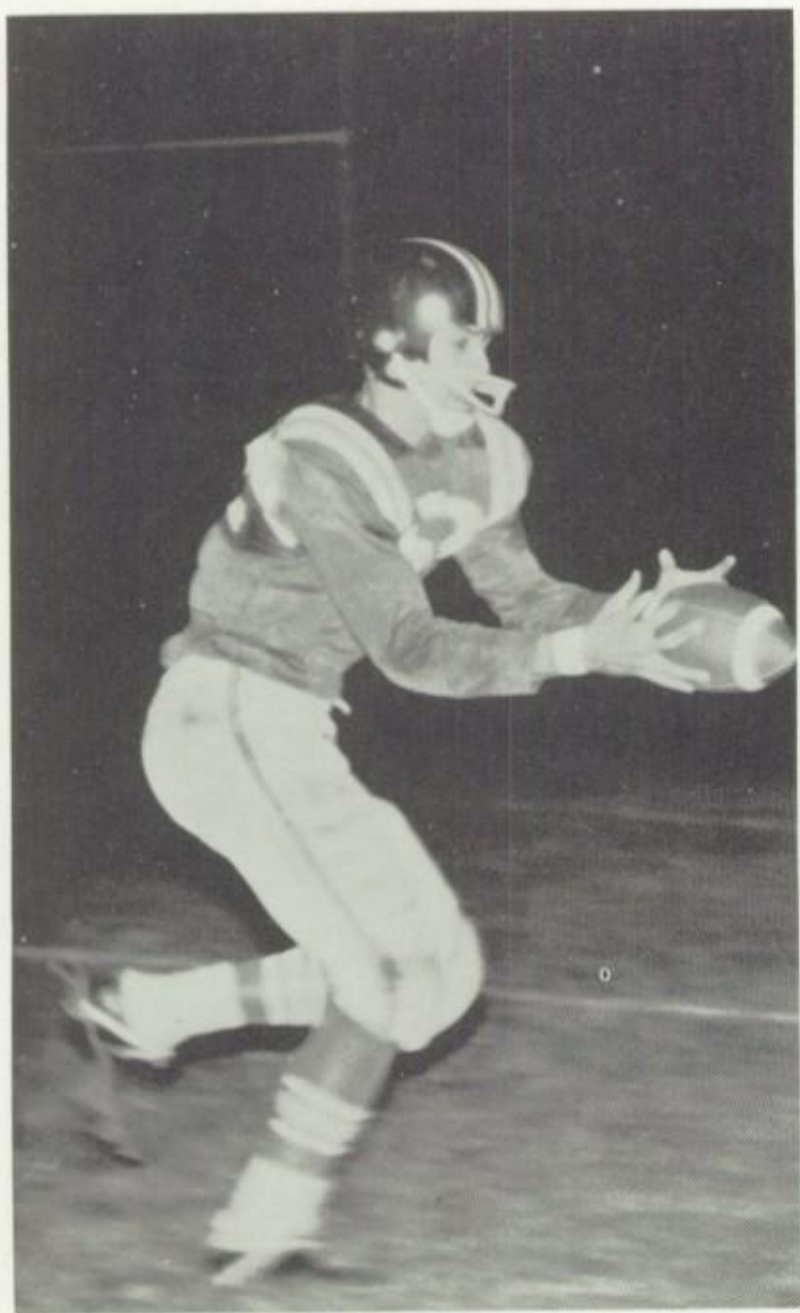

Through the efforts of these three experts in the field of football coaching, Grandview has set a new record for the Bulldogs. We not only took Conference Championship but also achieved the number one rating in Kansas City. This is Bill McCrary's third Conference Championship in his four years of coaching at G.H.S.
